Empowered Committee of State Finance Ministers headed by Dr. Asim Kumar Dasgupta, Finance Minister, West Bengal have in their Memorandum, listed problems being faced by States. These, inter-alia, included large interest burden, due to States having to pay higher interest rate on central loans as compared to average cost of borrowings of Central Government.

(b) To enable States to supplement their efforts towards fiscal consolidation, the Government of India have proposed a debt swap mechanism to facilitate States to utilize the additional 20% net collections of small savings disbursable to States during current year i.e. 2002-03, for retiring high cost debt of States restricted to Government of India's loans and advances. Those States agreeable to debt swapping during the current year would be allowed additional market borrowing to enable them to retire further high cost debt.

(c) and (d) The Government of India in accordance with the recommendations of the Eleventh Finance Commission have created the Fiscal Reforms Facility, 2000-01 to 2004-05, under which the States are enjoined to draw up their Medium Term Fiscal Reforms Programme (MTFRP) aimed at fiscal consolidation and where performing States are eligible for incentive fund thereunder. Prudential debt limits are agreed to by the States under the MTFRP. So far the MTFRP of 16 States have been finalised.
